The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: February 15, 2017, or February 16, 2017. Public notices are generally published every week. The previous publication of public notices was February 9, 2017.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Sam Dong, Inc. with a mailing address of 300 Industrial Park Drive, Rogersville, TN 37857. They seek to obtain an air contaminant permit (Division identification number 37-0125-16/72446) for construction of a Surface Coating Operation located at the same address. This proposed operation would consist of a wire-coating machine, an electric oven, and associated equipments used for coating copper wires. A catalytic afterburner would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Moe Baghernejad is the assigned Division person.

For the Hawkins County "Rogersville Review"- publish once on Wednesday, February 15, 2017.

The applicant is Exide Technologies, Inc. (Exide) with a mailing address of 364 Exide Drive, Bristol, TN 37620. The facility seeks to obtain an air contaminant permit (82-0256/972456) for a Lead-Acid Battery Formation Process (Source 19) at the aforementioned address. The source was previously permitted under Permit 964173P, but ceased operation in 2014. Exide is proposing to restart its formation operation which will consist of dry unformed batteries being filled, charged, cooled and formed into batteries that will be sold off-site. Air contaminants will be emitted by the source and controlled with a wet scrubber. Tawanna F. Reid is the assigned Division person.

For the Sullivan County "Kingsport Times-News -publish once on Thursday, February 16, 2017.
